About JOI Prime

JOI Prime is a BNPL corporate offering from our JOI platform tailored at corporate entities.

The portal offers staff member of our partner corporate the opportunity to acquire desired assets from our JOI platform and spread payments within a defined period of time.

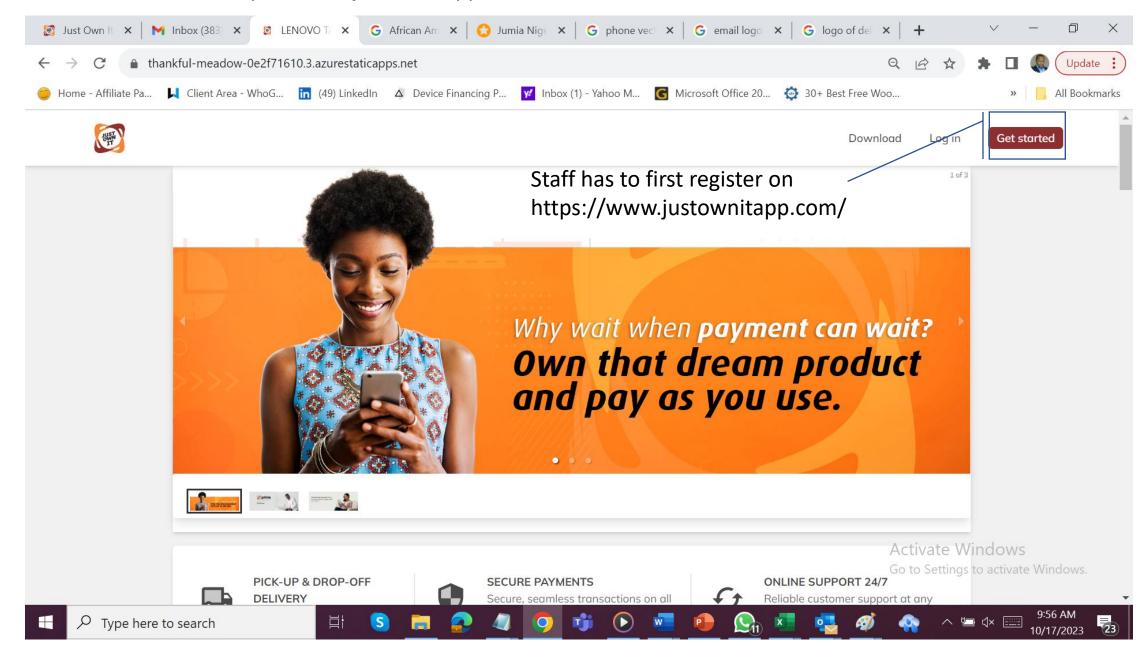

Asset value eligibility is determined by the Admin of these entities, the eligibility is what qualifies each staff the opportunity to access the products offered.

Staff customer journey

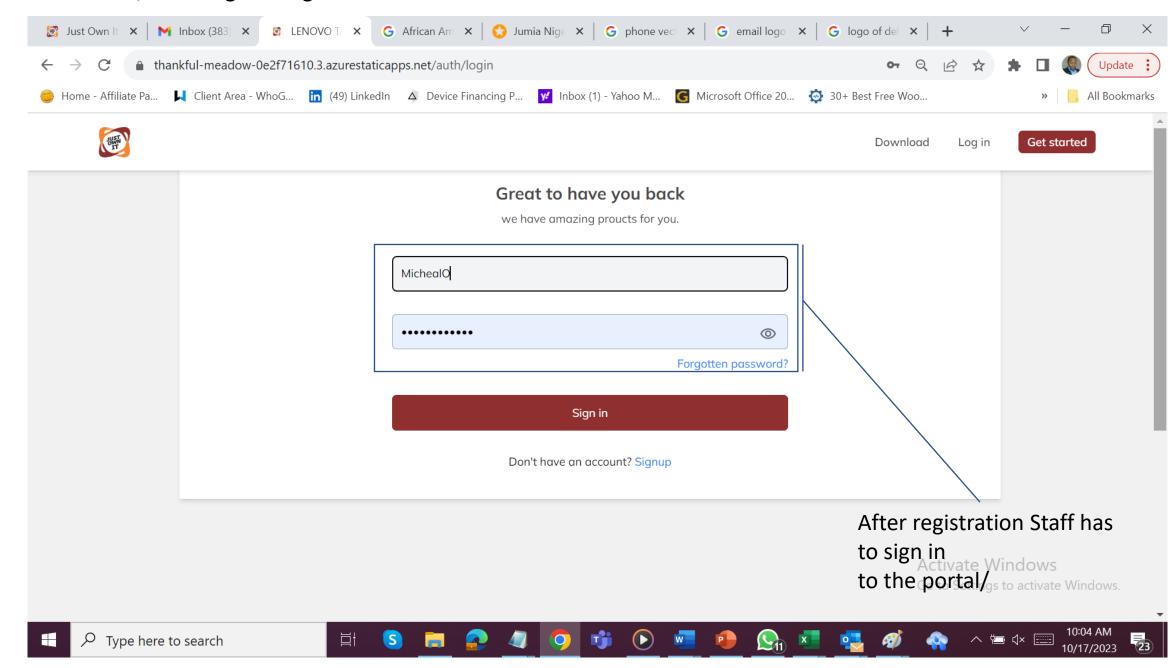

- Staff have to be registered on our JOI platform using their official email address.
- For Staff to enjoy the JOI corporate option, they must have been profiled for eligibility spend by their HR/Admin.
 - The Staff official email address is key to processing their transaction.
- The staff must have available their ATM card tied to their salary account preferably, for initial deposit, this card will be tokenize for subsequent re –payment deductions.

Admin/ HR USER INTERFACE -Guide-

What will the portal do?

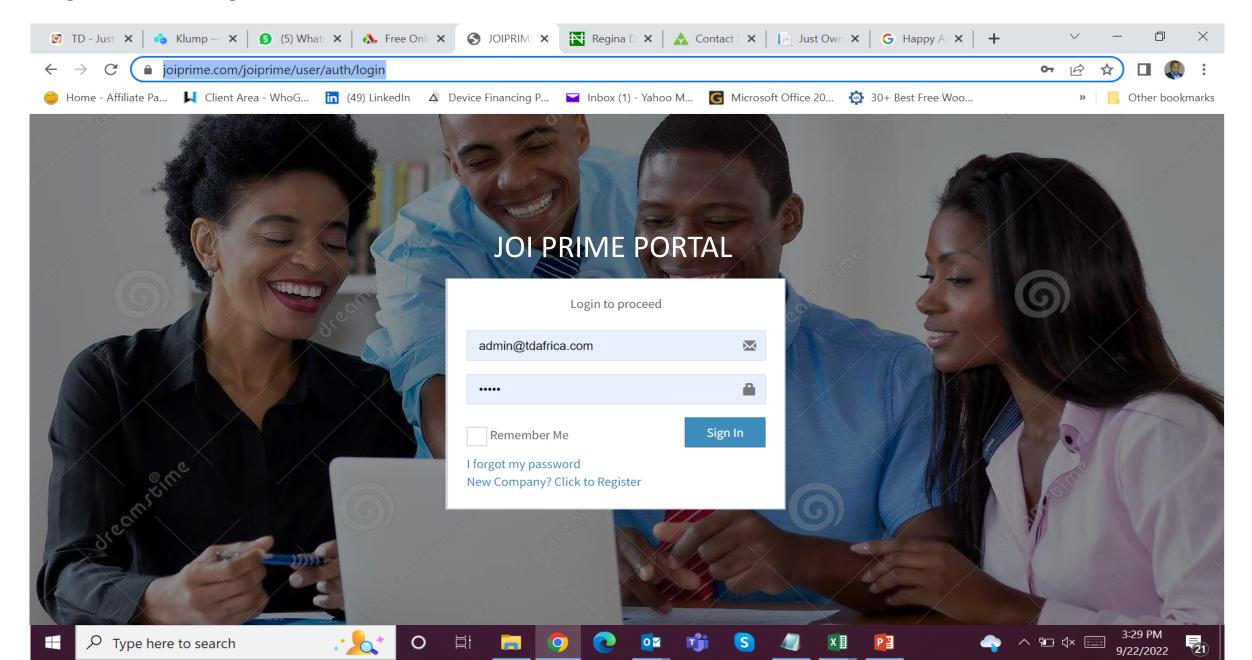

- 1. Enables the admin of any corporate partner to profile and enlist staff based on their capacity to spend (credit eligibility).
- 2. Staff member get the ease and control of their request through the JOI platform.
- 3. Price offerings are good and competitive
- 4. It allows for internal observations and feedback on the portal.
- 5. The corporate are assured of aftersales support and product quality as TD deals directly with the OEMs.
- 6. Each staff must ensure that they are registered on the JOI platform.

Dashboard

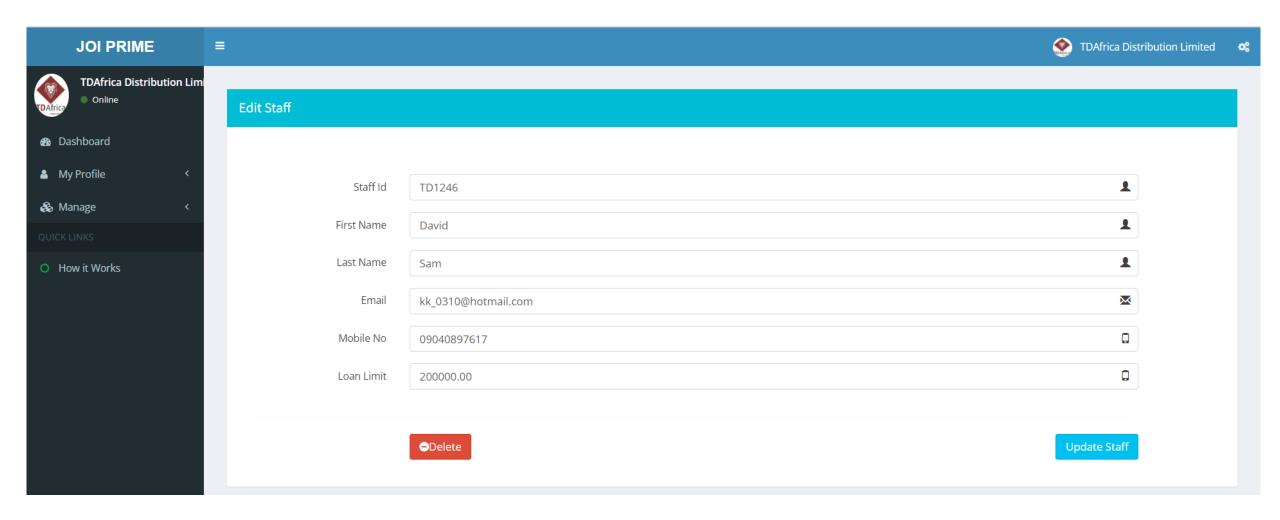

Add Staff and creating eligibility

Click Edit to add eligibility for staff

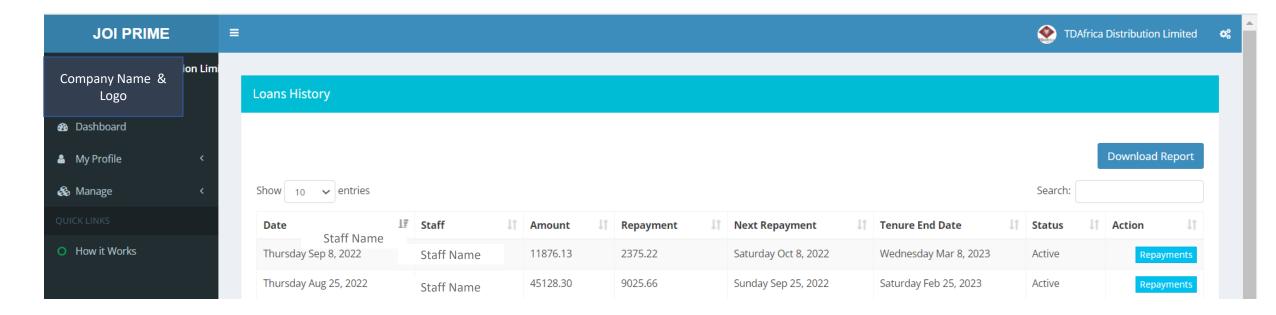

Create Loan Eligibility for staff.

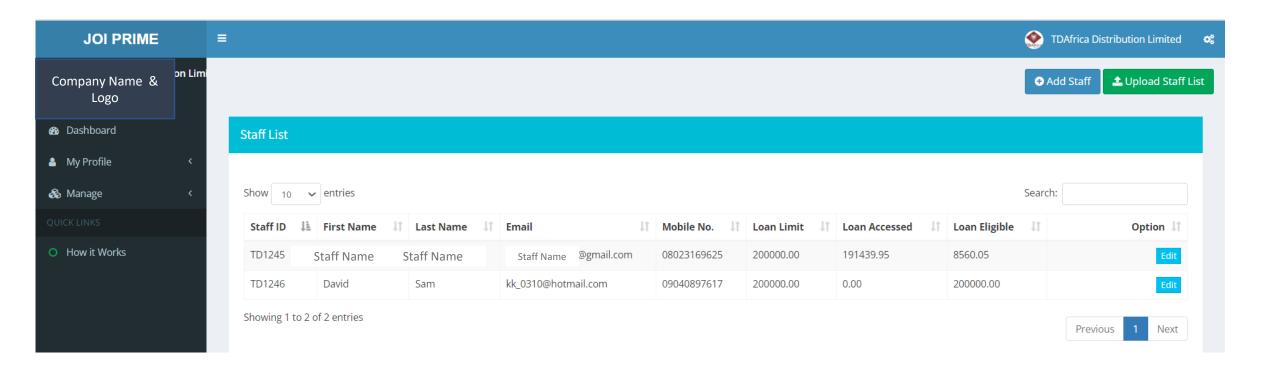

We advice that the eligibility given to staff is equal to their ability to re –pay monthly.

This dashboard shows the reports for all loans running.

This dashboard shows staff list and current loan accessed

All enquiry and support issues should be channeled to onlineteam@tdafrica.com
